Tuesday, 24 June 2014

• Announcements
• Admissions & Enrollment Update – Dan Garcia
• SSC Update – Pat O’Brien
• Board of Regents Update – Pat O’Brien
• Open Discussion
SSC Update
Hiring Freeze

The System has engaged PriceWaterhouseCoopers to analyze the organizational structure of member universities and to make recommendations for changes. I have no idea how this is going to play out.

In May 2014 PriceWaterhouseCoopers began a non-faculty administrative review of regional campuses. A report is expected to be available during fall of this year. When we receive the report, we will consider the recommendations and determine an implementation path forward.
May BOR Meeting Update
