Universal Waste Satellite Accumulation Area
Quarterly Inspection Form

Ref: 24.01.01.W1.08AR Universal Waste Satellite Accumulation Procedures

1. UWSAA Location: __________________________________________________________

The following checks are the minimum required each fiscal quarter:

- Name of Inspector and Date of Inspection.
- All containers correctly labeled and in good shape?
  - If no, has corrective action been taken?
- Estimated total volume of waste in the UWSAA? (In gallons for liquids and pounds for solids)
  - If liquid volume is 50 gallons or greater, IMMEDIATELY contact AR-EHS for pickup!
- All containers sealed and safely stowed?
- Spill kit and fire extinguisher available and charged?
- Spill and emergency response plans and numbers posted?
- Any full containers?
  - If yes, has the AR-EHS been contacted for pickup?
