October Calendar of Events

Early registration begins November 1. Remember you must be green-lighted before registering.

24—Pizza with a Prof with Dr. Melodie Loya of the Department of Social Work.

21—Applied Math and Physical Sciences (AMPS) Event (Colloquia)

Science and engineering students interested in jump-starting their research careers should plan to attend this special event on:

Friday, October 21st
12:00-1:30 pm, CC428
Lunch Provided

- Students who have participated in undergraduate research or internship programs will discuss their experiences in a roundtable format.
- Students will answer questions about how they found their program, how much it paid, what advantages they gained, and how it has helped them in their undergraduate career, and their chances for employment or acceptance into graduate school followed by Q&A.

Facilitators will briefly introduce their programs. After the roundtable, students will have the chance to informally visit with facilitators about specific programs. Students who attend will have the opportunity to network with people who can help them be successful as they apply for these experiences.

If you have questions or need to RSVP to attend this event, please do so by October 12th to cclewett@wtamu.edu.

21-23 Honors Camping/Hiking Trip to Carlsbad Caverns and Guadalupe State Park
