Office: OM 431, Canyon, TX 79016
Phone: 806-651-2592
Email: mcuevas@wtamu.edu

Dr. Cuevas' Bio
Dr. Cuevas' CV

Project Interests
Dr. Cuevas is interested in projects that look at homelessness and the factors related to homelessness in Amarillo and our region. She also studies different aspects of the First-Year Experience on our campus, looking at ways to connect students to WT, to one another and to faculty members more effectively. Finally, she researches social work education, exploring the types of learning that students use to become skillful and competent social workers who are culturally competent and comfortable working with clients of all types.
