TO: All Students Receiving Veteran’s educational benefits

FROM: Office of Veterans Services

SUBJECT: Veterans Affairs educational benefits-regulations

A recent compliance check by the Dept. of Veterans Affairs and by the Texas Educational Agency has mandated that all veterans’ records be in agreement with VA regulations. Please be aware of the following VA regulations concerning certification for benefits. Certification may be delayed or refused if discrepancies are noted.

NOTE: All students must confirm with the Office of Veterans Services their current semester status by the 12th class day (4th class day in summer). Certifications will not be processed until the confirmation is received.

1. Students must have a stated program of training (degree and major). This information is reported to the VA on form 22-1990, application for Benefits or form 22-1995, Change of Program.

2. A degree plan must be on file to support the stated program of training.

3. Only courses that apply to the program of training will be certified. Additional courses may be taken, but be aware that only courses allowed for the specific degree will be counted.

4. All transfer credit must be evaluated toward the stated program objective before certification will be completed for a second enrollment term.

5. Any change of major must be reported immediately to your Certifying Official in the Office of Veterans Services and you must complete VA form 22-1995 (Change of Program). A new degree plan and evaluation for loss of credits must be filed. By VA regulations, a student may only be approved for on “Change of Program”. However, if there is an official determination that the loss of credit is less than 12 semester hours, the VA may not record the change.

6. The student should be aware of regulations governing independent study, refresher and remedial courses.

If you have questions about any of the aforementioned regulations please contact the Office of Veterans Services at (806) 651-4936 or via veteranbenefits@wtamu.edu

Thank you for your cooperation.

SUBJECT: STANDARDS FOR PROGRESS Effective May 1998

For all students receiving Veteran Administration benefits, Federal Law (sections 1674, 1724, 1775, & 1776: Title 38 United States Code) requires that the University enforce Standards for Progress and Conduct.

Eligible students receive monthly payments or other benefits for their entitlement based on the courses for which they are enroll. The following are requirements for eligibility:

1. Each of the courses must be a requirement for graduation in a degree or for completion of a certificate program.
2. Each course must be full credit (no audits)
3. No course may be repeated for which credit (D or above) has already been received.
4. Each course attempted will be assigned a grade that will be used to compute the grade point average GPA and progress toward a degree or certificate.
5. Dropped courses which results in either no credit or no punitive grade will be adversely affect VA benefits from the beginning of the semester and can create an over award/repayment situation for the student.
6. Satisfactory academic status must be maintained in accordance with the probation/suspension policy as stated on page 30 of the current university catalog.

To assure progress, the record of each VA student is subject to review. All VA students must have a degree plan or a deficiency plan on file.

If you have further questions, please contact this office (806) 651-4936 or veteranbenefits@wtamu.edu.
First Time Users - Please review the WAVE User Guide

NOTE: You MUST have a current or active benefit award for MGIB-Active Duty (Chapter 30), or MGIB Selected Reserve (Chapter 1606), or Reserve Educational Assistance Program (REAP, Chapter 1607), or Veterans Retraining Assistance Program (VRAP) in our system. Active records are those with activity in the last 12 months.

VRAP Notice

VRAP Recipients - The Benefit Status page within WAVE will reflect "Chapter 30" as your benefit type. This is because you are being paid the same monthly rate as a chapter 30 recipient. Please be assured that you are receiving VRAP benefits.

Reminder: If you have switched from chapter 30 or chapter 1606, Montgomery GI Bill; or Chapter 1607, Reservist Educational Assistance Program (REAP), to chapter 33 the Post 9/11 GI Bill, you do not have to verify your attendance each month. WAVE will still reflect your previous benefit, but the only action you can take will be to check pending documents.
