

An infographic with a dark background and light-colored text. At the top center is a white icon of a money bag with a dollar sign. Below it, the text "WTAMU Student" is in a light grey rounded rectangle, followed by "SCHOLARSHIPS" in large, bold, dark red letters. The main statistics are listed in white text: "3,639 freshman applicants were offered a merit scholarship", "1,258 STUDENTS ACCEPTED", "A total of \$2,274,000 was awarded in merit scholarships to first-time Freshman", and "\$21 Million was credited to student accounts". At the bottom, it says "Data is for Fall 2024".

**WTAMU Student**

### WTAMU Student Scholarships

Institutional Effectiveness has partnered with Student Financial Services to feature a Data Bite focusing on WTAMU Student Scholarships.

3,639 incoming first-time freshmen were offered a merit scholarship from WTAMU for Fall 2023. 1,258 freshman applicants accepted these scholarships totaling \$2,274,000.

These scholarships were of varying values ranging from \$1,000 to \$8,000.

West Texas A&M University is living up to the WT 125 Metric of “Quadruple the scholarship and work-study opportunities available to students” (p. 103).
