DISCLAIMER: This curriculum guide should be used in conjunction with the corresponding degree checklist for general planning purposes only. The degree checklist (later a student's official degree plan) should be referred to as the comprehensive list of all courses required for the degree. An official degree plan is required after completing 30 hours. Students should always seek the advice of their academic adviser before scheduling classes.

Identified Marketable Skills:

The Healthcare / Online degree emphasis prepares students for various entry-level position in healthcare administration. An MBA/MBA HCA is required for positions in higher levels of healthcare administration.

Prerequisites/Important Sequences/Other degree Notes:

We strongly encourage HCA and Online students to earn a Management Minor. This minor is very beneficial in the job market as well as reducing the number of leveling courses if the student gains admission to an MBA/MBA HCA Program.
