

## International Students: *FAQ's*

---

**Q:** *How many hours can an international student work?*

**A:** Int. Students can work 20 hours per week during the long semesters, but may work 40 hours per week during the short semesters.

**Q:** What documents does an International Student need to provide for employment?

**A:** Foreign Passport, I-94 and I-20. The student will also need to obtain a social security card for employment purposes. The SS# is required in Section 1 of the I-9.

**Q:** When does an International Student have to stop working?

**A:** An International Student's last day of work is the day of their last final, regardless of what their I-20 Program End Date indicates.

**Q:** What qualifies as on-campus employment for an International Student?

**A:** This is employment that takes place either at the university or at an educationally affiliated off-campus location. Employment that takes place on campus, but does not provide a direct service to students does not qualify as an acceptable form of on-campus employment for International Students.
