• How to set up an account with CITI for training:
  o At www.citiprogram.org click “Register.”
  o Use the “Select Your Organization Affiliation” and enter “West Texas A&M University.” (DO NOT register as Independent Learner as there are fees associated with that one). Click agree and affirmation of affiliation
  o Complete the registration
  o At the “Select Curriculum” page:
  o On question #1, leave it blank.
On question #2, answer “Not at this time”

Questions 3 and 4, no response is required so they can remain blank.

On question #5, select “Responsible Conduct of Research”

Question #6 choose "Working with the IACUC Course and choose the species-specific course that is applicable to your research."
Question #7 can be left blank. Question #8 and #10, select “Not at this time.”

Complete the required courses.
