November 16, 2024

CONTACT: Assistant Chief Kyle Hawbaker, University Police Department 806-651-2300

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires colleges and universities across the United States to disclose information about crime on and around their campuses. A requirement of this law is timely notification to the campus community of certain crimes in a manner that will aid in the prevention of similar crimes.

In the late evening on November 15, 2024, the University Police Department (UPD) was made aware of a burglary in Jarrett Hall. An unknown person unlawfully entered a dorm room and took a student's property. The incident took place on November 15, 2024, between 7 p.m. and 8 p.m.

Per Clery Act definitions for reportable Clery Act crimes, unlawfully entering a structure to commit or have intent to commit a felony or theft is a Clery Act reportable burglary. UPD is investigating the incident.

While nothing is failsafe, here are some suggestions everyone may want to consider:

- Lock all outside doors and windows before leaving your home or office.
- Ensure all locks are in proper working order.
- If arriving/returning to work or home and find an unexplained open/broken window or door – do not enter. Contact the Police.
- Do not touch or clean up until the police have inspected for evidence.
- Be a good neighbor. If you notice anything suspicious in your neighborhood, call 9-1-1 immediately.
