 \* Indicates prerequisites—see catalog for more information.  
 \*\* While MATH 1332 and 1350 will fulfill core math requirements, they will NOT prepare students for higher-level math courses such as Plane Trigonometry (MATH 1316) or Pre-Calculus (MATH 2412).  
 \*\*\* Or an equivalent course (second year, second semester) in a foreign language.  
 \*\*\*\* Students must be formally admitted to the Social Work program prior to enrolling in this course.

NOTE: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of six semester hours in religion (REL) and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

Criteria for admission to the Social Work Program: All students registering as social work majors will be considered pre-majors before they are officially admitted into the Social Work Program. The criteria for admission are: completion of the University's core curriculum courses, including biology; completion of the beginning-level social work courses—2361, 2315 and 3301—with a grade of "C" or better; a cumulative grade point average of 2.25 or higher; an application for admission to the program accompanied by (1) at least two letters of reference from people who can attest to the student's desire and commitment to helping people, and (2) the student's latest transcripts; and the filing of a degree plan with the dean of the College of Education and Social Sciences.

**Note: This is NOT a degree plan. After completing 30 hours, students are encouraged to request an official degree plan by using the online Request for a Degree Plan form. If unable to use the online form, students can also submit a request in Old Main, Room 415 (or call 806-651-2668). Students who have completed 45 hours will not be allowed to progress without requesting a degree plan.**
