Bachelor of Science in Nursing BSN.NURS.RN (718)

NURSING MAJOR REQUIREMENTS: 64 HOURS Credits for previous nursing course work and practice knowledge (34 hours total) will be held in escrow until successful completion of the final course in the RN to BSN degree completion program.				
REQUIRED IN-RESIDENCE (ONLINE) NURSING COURSE 30 HOURS	S:			
NURS 3325*-70 Integration into Professional Nursing	3			
NURS 3355*-70 Cultural Competence for Health Promotion	3			
NURS 4345*-70 Professional Nursing Leadership/Mgt.	3			
NURS 4365*-70 Practice of Professional Nursing	3			
NURS 3345*-70 Pharmacotherapeutics Applied to Pathophysiology	3			
NURS 3360*-70 Research in Nursing	3			
NURS 3375*-70 Quality Management and Informatics	3			
NURS 4335*-70 Issues in Health Care Delivery	3			
NURS 4323*-70 Nursing Decisions for Populations	3			
NURS 4385*-70 Concepts in Legal and Ethical Nursing	3			
MINIMUM HOURS REQUIRED TO COMPLETE DEGREE				

[◆] The core curriculum must total **exactly 42 hours**; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.

NOTE: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of six hours in religion (RELI) and six hours in physical education (PHED) can be counted toward a degree.

Note: This is NOT a degree plan. After completing 30 hours, students are encouraged to request an official degree plan in the office of the dean of the College of Nursing and Health Sciences, located in Old Main, Room 402 (or call 806-651-3500). Students who have completed 45 hours will not be allowed to progress without requesting a degree plan.

^{*} Indicates prerequisites—see catalog for more information.

^{**} While MATH 1332 and 1350 will fulfill core math requirements, they will NOT prepare students for higher-level math courses such as Plane Trigonometry (MATH 1316) or Pre-Calculus (MATH 2412).

*** Or an equivalent course (second year, second semester) in a foreign language.

^{***} Or an equivalent course (second year, second semester) in a foreign language
**** Recommended.
