

WTAMU Experiential Education Program Spring 2019 Executive Summary

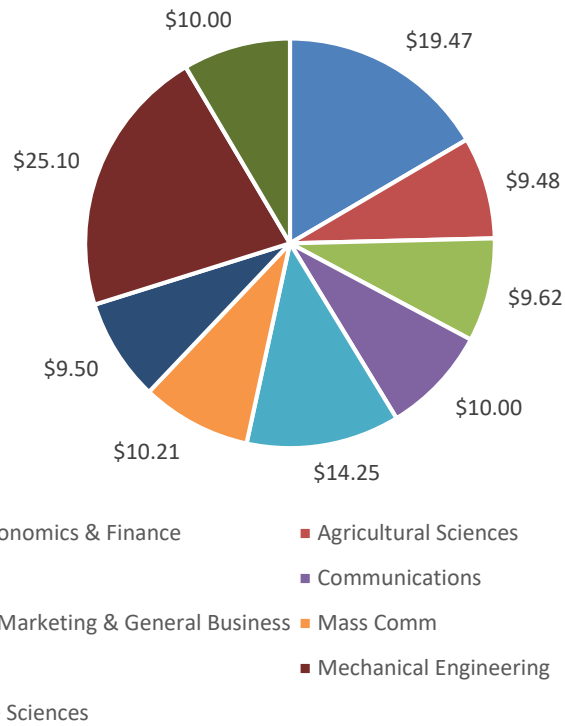

The Experiential Education program (formerly Cooperative Education) began in the spring of 1994. A Title VIII Department of Education grant started the program, and we placed the first students in the spring of 1994. Our vital statistics to date include:

- Monitored or documented 4,883 individual placements to date (279 in Spring 2019)
- Unduplicated count of internships in 2018-19 to date - 465
- Average GPA of the Spring 2019 class – 3.3754
- Average wage for paid internships for the Spring 2019 class - \$13.42 per hour

What Did You Like Best?

By completing this internship, I honed my interpersonal skills and discovered what brings me passion in the field of social work.

Alison Ramos

Social Work major

Intern with Panhandle Independent Living Center, Amarillo, TX

I enjoyed being able to see myself grow and develop an understanding of what a tax season is like. I got better with time and was able to develop and utilize my knowledge at a higher level.

Garrett Fischbacher

Finance & Economics major

Intern with Victor Glenn CPA, Amarillo, TX

I found what I want to do in life. I get to be a creative mind and work in sports.

Jess Rice
BAAS major
Intern with WTAMU Athletics, Canyon, TX

My favorite part about this internship was getting to try different projects. I knew I was coming in to be a tax intern, but getting to dip my feet into payroll made me see different areas of accounting I could get involved in..

Riley Valetine
MPA
Intern with Doshier Pickens & Francis, Amarillo, TX

The team that I get to work with has created a unique culture of autonomy and collaboration. I love getting to work within this environment as it has modeled professionalism and problem solving skills for me. I receive constructive feedback in this environment and believe that I have grown exponentially as a leader and employee through this experience.

Janine Johnson
Ag Education major
WTAMU Transfer Services, Canyon, TX

Intern to Full-Time for Spring 2019

At the time of this report, 194 out of the 279 spring interns have graduated. Here is the breakdown of outcomes we know about:

- * 121 have full-time jobs
- * 19 are attending graduate school
- * 12 we have no information on
- * 1 is classified as other
- * 11 are working part-time
- * 3 are working on post-graduation internships
- * 26 are searching
- * 1 is volunteering

SPRING 2019 GRADUATES

Spring 2019 Interns

Out of the 279 interns,

- * 43% got full-time positions
- * 7% are going to graduate school
- * 4% are working part-time
- * 2% are completing a post-graduation internship/volunteering/other

That means 56% are working in some form or fashion.

- * 14% are either searching or we were unable to contact them.
- * 30% of them are either continuing their internship, seeking another internship and/or pursuing their degree.

Internships continue to be an effective way for students to gain major-related experience and in many cases, a professional position upon graduation!
