

## WTAMU Experiential Education Program Summer 2007 Executive Summary

The Experiential Education program (formerly Cooperative Education) began in the spring of 1994. A Title VIII Department of Education grant started the program, and we placed the first students in the spring of 1994. Our vital statistics to date include:

- Monitored 1,446 individual placements to date (40 in Summer 2007)
- Placed 668 students in paid internships (unduplicated count)
- Average GPA of the Summer 2007 class – 3.23
- Average wage for the Summer 2007 class - \$12.27 per hour
- Total dollars earned by the Summer 2007 class - \$199,614
- Total dollars earned by all internship students to date - \$4,934,681

During the 2006-07 academic year, the Experiential Education & Career Services program helped 772 students through both online and in-person résumé workshops. Additionally, our counselors have provided career counseling to 187 students so far in this academic year. This counseling and guidance helps students determine their best career path.

## Selected Student & Employer Comments

“The interns are crucial to our organization’s success. They did the best job they have ever done this summer.”

*Mark Lee, General Manager  
Amarillo Dillas*

“The internship really confirmed my thinking to become an auditor and to graduate with an accounting degree. The internship gave me more confidence of what I will do after I graduate, which is something I was uncertain about before.”

*Frances Detten, Accounting Major  
Intern with the Johnson & Sheldon P.C.*

”The internship program is invaluable because it gives us the opportunity to assess the IT skills of up and coming talent. It gives us a pipeline into good students who can fill full-time opportunities after they graduate. Also, the internship program helps us maintain a positive relationship with the community.”

*O.J. Blankenship, I.T. Manager  
BWXT Pantex*

“This internship has been an amazing experience and I am very pleased that I was able to get some experience at such a great company. I learned more than I had expected and definitely received more out of this internship than I had imagined.”

*Missy Howell, Accounting Major  
Jack B. Kelley Company*

“Eric has assumed a leadership role in the manufacturing plant...”

*Aaron Baker  
Engineer, Fluid Compressor Systems*
